

Dear all,

We are pleased to invite you to the upcoming **Classroom Linguistics Network Meeting**, which will take place on December 3-4, 2026 in Münster, Germany.

The meeting will provide an opportunity to exchange ideas, discuss ongoing research, and connect with colleagues working at the intersection of language education and (applied) linguistics.

There are still a few presentation slots available! If you would like to present your research, share an ongoing project, or discuss work in progress, we would be happy to hear from you.

Participation without giving a presentation is also very welcome. Whether you would like to contribute to the discussions, learn about current research, or simply connect with other members of the network, we warmly encourage you to join us.

Participation is free of charge.

Date: December 3-4, 2026 (from noon to noon)

Location: Münster University, Germany

Registration/presentation proposals: Please send an email to Katharina.elbwart@upb.de and/or Philipp.meer@uni-muenster.de to register and indicate whether you plan to give a talk

Deadline: to help us plan the meeting, please let us know if you wish to participate with or without a talk by **November 15, 2026**

We look forward to welcoming you to Münster and to engaging discussions with colleagues from the classroom linguistics community.

Please feel free to share this invitation with anyone who might be interested.

Best wishes,

Philipp Meer and Katharina von Elbwart
